

PROGRESS

A VOLUME OUTPLACEMENT PACKAGE THAT PREPARES INDIVIDUALS FOR JOB SEARCHING INCLUDING CV WRITING AND INTERVIEW PREPARATION

Our consultants will deliver 3 x 1 hour individual coaching sessions with topics to be agreed with the individual, as well as a review of CV's and social media profiles. Access to online resources including downloadable templates and checklists are also included.

Support areas can include:

- Job searching including job boards, social media and agencies
- Developing a personal brand and maximising LinkedIn
- AI's impact on job searching
- CV writing
- Making job applications
- Interview / assessment preparation as well as hints, tips and practise
- Listening to and using feedback
- Action planning
- Looking after your wellbeing whilst job searching

Business hours email support is included.
