

WORKSHOPS AND WEBINARS

Tailored career and job search workshops and webinars for up to 12 people providing guidance and support in a focussed learning session.

We will help your employees to understand the current job market, create an effective CV as well as providing practical job hints and tips.

1 or 3 hour workshops or webinars can be delivered which can include the following:

- The current job market
- Job searching and job boards
- CV writing and job applications
- LinkedIn
- Preparing for interview and using feedback
- Supporting your wellbeing
- Your next steps and action planning

All attendees will also get access to our online resources including downloadable templates and further information and links.
